For the purposes of this rule, "drugs" shall mean any illegal drug or prescription medication, if that prescription medication affects the judgment or safe conduct of the shooter. Contact the BPSC President or a BPSC Board member at 417-457-6248 if you observe unsafe range conditions that you cannot correct.

Keep all guns unloaded and in a case when you are in the parking lot or moving between ranges. Guns can be uncased and loaded only when at the firing line and preparing to fire.

Everyone must stay behind the firing line.

Shooters must open the action, empty the chamber, empty the magazine, and place the empty guns on the rack. All guns must remain empty, with actions open, until shooters are on the shooting line.

Point muzzles in a safe direction or down range at all times unless the gun is on a gun rack or in a case.

Shoot only at paper or cardboard targets on the designated target holders at the backstop. Do not shoot at the wooden posts or wood framework. Keep frangible target (clay birds) to a minimum and at the Base of the Backstop. Do not use firing position Berms as a Backstop.

Shooters, spotters and club personnel must wear appropriate eye and hearing protection while on the ranges.

Mind club traffic when shooting from the 700 and 800 yard positions.

Muzzle loaders must take precaution against accidental fires and explosions by loading and storing powder at a rear bench, while priming and shooting only from the front of the bench.

Fully automatic guns are allowed to be fired. Be cautious and be prepared to show appropriate documents. Suppressors are allowed.

Parking is allowed in the authorized parking area only. No vehicles are allowed down range while firing.

Be considerate of other shooters by practicing good sportsmanship, being respectful and using common sense.

Treat the club property with respect. Theft and vandalism will be prosecuted.

Repeat offenders of these rules will not be allowed on the rifle range.

Glass containers are not allowed on club property.

Members may not share the gate codes with non-members.

Children under 16 must be accompanied by a parent or responsible adult.

Close and lock the gate after entering and exiting the rifle range unless a public shooting event or work party is present.

Shooting after posted rifle range hours is prohibited unless authorized or is a scheduled event such as a Night Shoot. Trap and Skeet is authorized to shoot well into the evening with use of Range lights. Posted shooting hours are from dawn to dusk.
